COLUMBIA DIVISION

United States of America)	CR. NO.: 3:02-548-CMC

_____)	

This matter is before the court on Defendant's motion to Strike. Dkt. #3480. Defendant's motion is dated May 20, 2011; however, the envelope in which it arrived is post-marked June 17, 2011, and it was received by the undersigned on June 22, 2011.¹

On June 17, 2011, Defendant's motion for relief under § 2255 was dismissed with prejudice. Defendant had received an extension of time through May 20, 2011, to file a response to the Government's motion for summary judgment, which he did not do. Even construing Defendant's motion to strike as a motion for reconsideration, Defendant fails to show any disputed issue of material fact or point to any legal infirmities which would lead this court to reconsider the ruling of June 17, 2011.

Defendant's motion to strike is, accordingly, **denied**.

IT IS SO ORDERED.
